Leila Rankine House of Hope was proud to facilitate their second graduation on Friday the 13 July.

Courtney Jonas successfully completed the 12 week rehabilitation program. Just one of her achievements was the Circle of Security parenting program. Courtney will continue her journey to the New Roads program south of Adelaide. This program also assists with AOD counselling and support.

In addition to the day's celebrations, The Murray Bridge Standard sent out a journalist to do a story on LRHOH. Courtney was proud to speak to the Journalist in regards to her journey and her 3 month stay at LRHOH. Courtney stated that until she was told about the facility, she did not know how much hope was out there to help Aboriginal women.
